## IMPORTANT INFORMATION

You may have received a confirmation for a trade, which does not appear on this statement. If the settlement date of the trade as shown on the confirmation is later than the period ending date that appears at the top of this statement the trade will appear on your next regular monthly statement.

If this is a margin account and we maintain a special miscellaneous account for you, this is a combined statement of your general account and special miscellaneous account maintained for you under Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the special miscellaneous account as required by Regulation T is available for your inspection at your request.

The per annum rate of interest charged on the debit balance in your account is shown on this statement. This rate may change from time to time in accordance with fluctuations in interest rates. Interest is computed from the 16<sup>th</sup> day of the preceding month to the 15<sup>th</sup> day of the current month except in December and January. In December, the charges include the last day of the year and, in January, the interest is calculated from the first day of the month. The interest is based on the average daily net debit balance in your account with us, and for the actual number of days based on an interest year of 360 days. When calculating margin interest, free credit balances in all accounts will be offset against any debit in the margin account and the interest will be charged on the net debit balance.

We are required to report to the Internal Revenue Service all cash dividends and registered bond interest credited to your account on securities held for you in our name. We also report coupon bond interest. All dividends and interest credits should be included in your income tax return.

Information relative to commission and any other charges incurred in connection with listed option transactions occurring during the month has previously been furnished to you in confirmation of such transactions. A summary of this information will be made available to you promptly upon request. Exercise assignment notices for option contracts are allocated among customer short positions pursuant to a manual procedure with randomly selects form among all customer short option positions including those contracts which are subject to exercise. All short American style option positions are liable for assignment at any time whereas European style options are assigned at expiration. A more detailed description of our random allocation procedure is available upon request.

You are to promptly advise your brokerage firm or bank of any material changes concerning your investment objectives or financial situation.

Our financial statement is available for your personal inspection at our office, or a copy of it will be mailed upon your written request.

**SIPC Protection.** As a member of the Securities Investor Protection Corporation (SIPC), funds are available to meet customer claims up to a ceiling of \$500,000, including a maximum of \$250,000 for cash claims. For additional information regarding SIPC coverage, including a brochure, please contact SIPC at (202) 371-8300 or visit [www.sipc.org](http://www.sipc.org). Apex has purchased an additional insurance policy through a group of London Underwriters to supplement SIPC protection. This additional insurance policy becomes available to customers in the event that SIPC limits are exhausted and provides protection for securities and cash up to certain limits. Similar to SIPC protection, this additional insurance does not protect against a loss in the market value of securities.

Any free credit balance represents funds payable upon demand which, although properly accounted for on our books of records, is not segregated, and may be used in the conduct of this firm's business as permissible under the SEC Rule 15c3-2.

### PORTFOLIO EQUITY ALLOCATION:

The Pie Chart is an estimate for illustrative purposes only.

### PORTFOLIO SUMMARY:

Lists all securities held in your account.

### MARKET VALUE:

This amount represents the value of the security position in your portfolio based on appraisals obtained from the various quotation services. These appraisals are based on the closing prices, bond yields and/or the mean bid and ask on the last day of the statement period. Because of the nature of the data provided by the quotation services, we cannot guarantee the accuracy of such prices or the valuation dates particularly in the case of inactive or infrequently traded securities.

Some securities in your portfolio may be listed as "Unpriced" on your statement. We use an automated pricing service from an outside vendor and certain prices may not be available to them. You can obtain a current quotation, upon request, from your broker or bank.

Bond prices might differ from current market quotes. Similarly, bond ratings may differ from current actual ratings. Computerized pricing and rating services are often unable to supply us with up to the minute information. Your broker or bank will be pleased to obtain a current quotation upon request.

The current annual dividend or bond interest rate for each security held, if available from quotation services. The rate is multiplied by the number of shares or par value of bonds to determine estimated annual income.

### REALIZED GAIN/LOSS DETAIL AND PORTFOLIO SUMMARY SECTIONS:

Displays mutual funds by average cost and other securities by individual tax lot. Realized gains (losses) are reflected on a trade date basis for transactions settling during the current period or the period in which the shares were received, if later. Realized gains and losses may include transactions that settle during the following statement cycle. These transactions appear in the Portfolio Holdings section. Estimated unrealized gains (losses) are displayed for most securities currently held. The cost basis used in determining gains (losses) does not reflect wash sales and may not reflect all capital adjustments. Most exchanges reflected on this statement are treated as non-taxable, unless or until other information has been communicated to us. Cost basis of preferred securities with original issue discount ("OID") is not adjusted for the accretion of OID. For most long positions transferred between beneficial owners, the transferor's cost basis will be retained. For shares acquired from a decedent, you should consult your tax advisor to determine the appropriate valuations and holding period that applies. ALTHOUGH THE COST BASIS SHOWN MAY HAVE BEEN ADJUSTED, YOUR COST BASIS MAY REQUIRE ADDITIONAL ADJUSTMENTS. NOTE: WE DO NOT REPRESENT THE CALCULATIONS OF REALIZED AND UNREALIZED GAINS (LOSSES) AS AN OFFICIAL TAX ACCOUNTING OF SUCH FIGURES. FOR TAX PURPOSES, YOU SHOULD RELY ON YOUR OWN RECORDS AND THE CONSOLIDATED FORM 1099 SENT TO YOU.

### Order Routing:

The SEC requires all broker-dealers that route orders in equity securities and options to make available quarterly reports that present a general overview of their routing practices. The reports must identify the significant venues to which customer orders were routed for execution during the applicable quarter and disclose the material aspects of the broker-dealer's relationship with such venues. In addition, the Rule (SEC 606) requires broker-dealers to disclose, on customer request, the venues to which the individual customer's orders were routed for the six months prior to the request, and the execution time for the orders that were executed. For further information, please contact your broker or financial advisor.

DESCRIPTION	LOCATION	BANK BALANCE
Ally Bank	Charlotte, NC	\$1.53
<b>Total FDIC Insured Bank Deposits</b>		<b>\$1.53</b>

FDIC Insured Deposits are held by respective banks, not Apex Clearing Corporation. Bank Balances included on this statement are provided by the banks. Apex Clearing Corporation is not responsible for the accuracy of this information. Balances are insured up to \$250,000 (\$250,000 for self-directed retirement accounts like IRAs) per bank, subject to the combined total of all your deposits at a specific bank, including deposits at these banks that you may have made outside this account. Please refer to the Apex FDIC-Insured Sweep Program Terms and Conditions for more details concerning insurance coverage. For questions concerning your bank balances, please contact your registered representative. **The cash balance of your FDIC Insured Deposit is accurately set forth on page 1 of this statement.**

NOTE: Occasionally, Apex FDIC-Insured Sweep Program's banks ("Program Banks") may be added or removed from the Participating Bank List, which is available on Apex's website. Apex will, to the extent possible, update the Participating Bank List, with any added Program Banks at least 30 calendar days before making deposits. If a Program Bank is removed from Apex FDIC-Insured Sweep Program (the "Program"), it will no longer be able to receive sweeps of your excess cash balance. If any of your excess cash balance is at a Program Bank that is removed from the Program, Apex will transfer those funds into another Program Bank still in the Program or into your Apex Account, at Apex's discretion. You may contact your broker to specify any Program Banks into which you do not wish your excess cash balance to be swept. Please note that if there are insufficient Program Banks available in the Program, taking into account any from which you have opted out, such that not all of your excess cash balance can be spread among Program Banks to ensure FDIC coverage, then some or all of your excess cash balance may remain dormant in your Apex Account or may be deposited at a Program Bank but not covered by FDIC insurance. You may obtain additional information on each Program Bank at [www.fdic.gov](http://www.fdic.gov).

You are solely responsible for monitoring the total amount of your assets on deposit with each Program Bank (including non-Program funds and accounts) in order to determine the extent of FDIC insurance coverage available to you on those deposits, including Program deposits. Apex shall not take into account any money you have on deposit at a Program Bank outside of the Program.

A current Apex FDIC-Insured Sweep Program Bank List and Apex FDIC-Insured Sweep Program Terms and Conditions may be found at <https://apexfintechsolutions.com/legal/disclosures/banksweep-bank-list> and <https://apexfintechsolutions.com/legal/disclosures/banksweep-terms-and-conditions>, respectively.

#### Information Regarding Cost Basis for Foreign Account Statements

Foreign Currency: Cost basis is required to be reported in U.S. dollars for tax purposes. It is the responsibility of the account holder to convert sales proceeds paid in foreign currency to U.S. dollars to avoid inaccurate cost basis calculations. When reporting the purchase or sale, you must determine the U.S. dollar amounts to be reported as of the settlement date, at the spot rate or by following a reasonable spot rate convention. See Regulations section 1.6045-1(d)(8).

**Payment of Interest to holders of Municipal Securities** - you may be subject to a substitute interest payment if the transfer of ownership of your municipal security has not been completed prior to the next interest payment. Please contact a tax professional for more specific details.

### IMPORTANT INFORMATION

To our valued customers:

FINRA Rule 2231 requires that we advise you to promptly report any inaccuracy or discrepancy in your account (within 10 days after available) to your brokerage firm and clearing firm (where these are different firms) and to re-confirm any oral communications in writing.

<https://www.finra.org/rules-guidance/notices/06-72>

**"IMPORTANT - Part of your distribution includes a return of capital. Any distribution that represents a return of capital reduces the estimated per share value shown on your account statement."**

The preceding notice is required when reporting distributions on Direct Participation Programs and/or REITs and is subject to the DPP or REIT sponsor's final capital return determination as detailed in the IRS Form 1099 or K-1, as applicable.

Alternative or Other Investments, DPP, and Unlisted securities are not listed on a national securities exchange, are generally illiquid and that, even if a customer is able to sell the securities, the price received may be less than the per share estimated value provided in the account. The evaluation method used for any particular DPP or REIT will be provided to clients upon request.

**Certain positions are not held on Apex's books or custodied by Apex and are not Protected by SIPC.**
